

Tū Manawa Active Aotearoa

Factsheet

Tū Manawa Active Aotearoa is a Sport NZ fund managed by Regional Sports Trusts, with \$16 million of funding allocated per annum to activate programmes and projects in their communities.

The fund aims to provide quality experiences in play, active recreation and sport for tamariki and rangatahi. Programmes or projects may be new or already operating, and funding will be provided for up to 12 months.

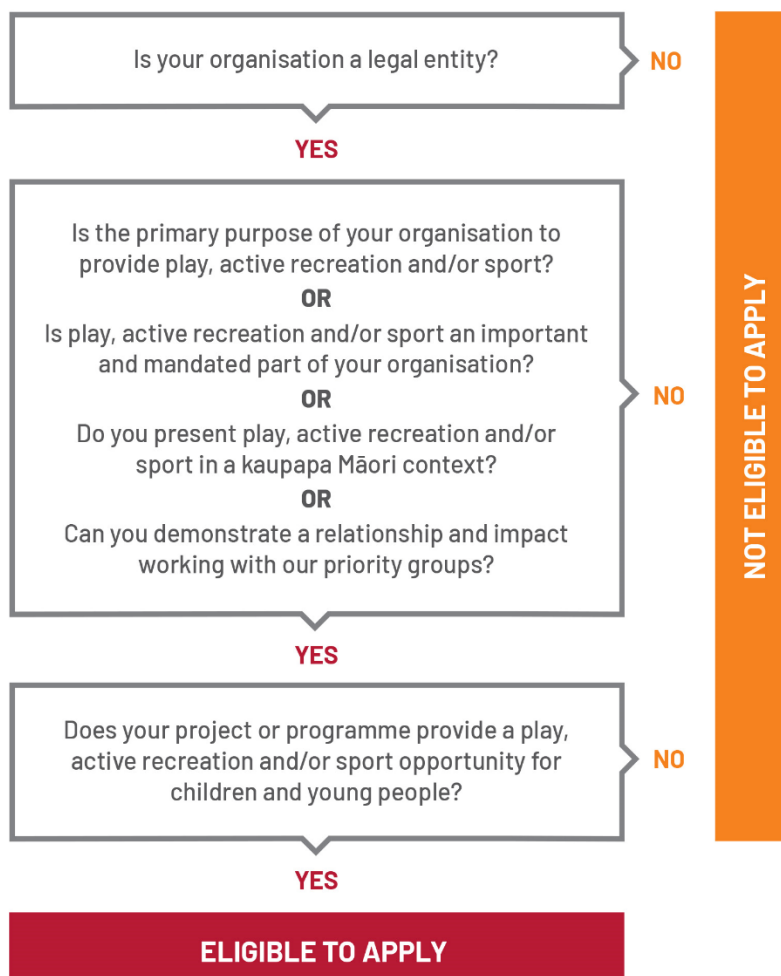

Who is it for

Funding is available to a wide range of groups and organisations who are planning to or already deliver a programme or project to help children and young people get active.

We know from research that there are some groups who are more at risk of missing out or being less active, including those living with a disability, in higher deprivation communities and girls and young women. Programmes or projects that reach these groups will be prioritised for funding.
